### **Regulation No. 7**

**10-24-2011**

Federal Regulation No. 7 is intended to expedite ICPC approval or denial by a "receiving" State for the placement of a child with a parent, stepparent, grandparent, adult aunt or uncle, adult sister or brother, or the child's guardian. This regulation also stipulates the importance of minimizing the potential trauma to children caused by interim or multiple placements while ICPC approval to place a child with a parent or relative is being sought.
